Problem Statement

15.6% of Malaysian adults live with **DIABETES** — making **TRUST** and **ACCESS** to healthier choices like Bario Rice matter.

Trust

Consumers we interviewed raised concerns about the authenticity, origin and inconsistent quality of products sold as Bario Rice.

Access

Consumers lack a simple, trusted way to discover and purchase Bario Rice from verified sellers.

BARIO SEEKER

Our Solution

Bario Digital Passport and Marketplace

1

Approved producers and sellers receive a **non-transferable digital credential on Solana**.

2

Bario Rice batches are linked to their **verified source, origin and product information**.

3

Verified products are connected to the **Bario Seeker Marketplace**, where consumers can discover trusted sellers.
