The screenshot shows the homepage of velloagents.com. At the top, a green banner reads "3 FREE VIDEOS WHEN YOU SIGN UP. NO CARD NEEDED →". The navigation bar includes links for Features, Solutions, AI Clipping, AI Influencer (marked as "New"), Agency, Pricing, and Marketplace, along with a "Dashboard" button. The main headline is "Paste your website. Get 3 videos selling it, today." followed by a subtext: "An AI creator learns your product, writes the pitch, and renders your first videos in minutes. Free. Then real creators post about you and you pay \$2.50 per customer, nothing else." Below this is a form with a placeholder "yourproduct.com" and a "Show me my videos →" button. A note below the form says "+ Got a podcast or YouTube? Add the link, we clip it too." At the bottom of the form area, it says "No card. First 3 videos free." with buttons for "Website" and "Just clip a video". The footer features a row of video thumbnails, including one with the text "FOOD HUNTING" and another with "MINYA". The browser's address bar shows "velloagents.com" and the macOS dock is visible at the bottom.
